JUNIOR DESIGNER CHALLENGE

Car Logo Breakdown

Junior Designer Challenge Session 2

Name:	Class:	Date:

Look closely at your chosen logo, find its shapes, then rebuild it in Tinkercad.

Part 1: My logo

The logo I chose:	
The outer shape is:	
The inner shapes are:	

Part 2: Shape breakdown

Draw your logo and colour the solid parts. Mark the holes with an X.

Part 3: My Tinkercad shapes

Shape	Solid or hole?	Size (mm)	Tool used (duplicate, rotate, mirror)

Part 4: Compare and fix

Put your model next to the reference. What is different? What will you fix?
