Lesson Overview		
Lesson Topic	Candle Making: Lighting the UAE Heritage	
Standard(s)	Science: 2-PS1-4 (heating and cooling change materials, and some changes can be reversed)	
Learning Objective(s) (WALT): We are learning to make a small Oud candle safely and to give it a brand.		**Success Criteria (WILF):** I can name the parts of a candle: wax, wick and fragrance. I can pour my own candle safely, wearing gloves. I can give my candle a brand name and a logo. I can explain why we wait for the wax to cool.
Literacy Strategies	Key words on the board with pictures; students say each step aloud before the practical.	

Assessment	Observation during pouring; My Candle Recipe and Brand worksheet; Wayground quiz; finished candle.
Targeted Vocabulary	Fanar, wax, wick, Oud, double boiler, melt, solidify, mould, brand, logo, slogan
Skills	Following a process, safe use of hot materials, design and branding, teamwork
National Identity Integration	The Fanar lantern in Emirati homes, Oud as a symbol of hospitality, and the meaning of the four UAE flag colours.
AI/Digital Learning	Candle Making slides; Wayground quiz on tablets.

Lesson Structure	
Starter (Hook) Engage and Ask (10 minutes)	Show slides 1 and 2 and introduce the Fanar lantern. Go through the Maker Rules (slide 15): gloves on, never touch liquid wax, pour only under supervision. Check for fragrance allergies.
I Do Direct Instruction / Model (15 minutes)	Show the maker kit, Oud and the UAE colour meanings (slides 5 to 7). Demonstrate: melt wax in the double boiler, add Oud and dye at 75 to 80°C, stir for 2 minutes, and pour slowly into a tealight mould (slides 9, 10 and 13).
We Do Guided Practice (15 minutes)	Quick scent guessing game in pairs (slide 17). Students complete page 1 of the worksheet: mould shape, UAE colour, candle name, gift and drawing. Teacher checks plans.
You Do Independent Practice (40 minutes)	Students wear gloves and pour their own wax into their tealight mould at the stations, keeping the wick centred (15 minutes). While candles cool, students complete page 2: brand name, slogan, logo and label. Then they take the Wayground quiz (slide 20) and clean their stations.
Differentiated Instruction: **Beginning / On / Above**	**Beginning: Tick choices on the worksheet and pour with an adult beside them.** **On: Complete the worksheet and pour safely on their own.** **Above: Pour two layers in two UAE colours and add a slogan and price to the label.**
Closure/ Reflection (10 minutes)	Gallery walk of the finished candles and labels (slide 18). Students say which success criteria they met. Reminder: never light the candle at home without an adult.
