MY MAKER MARK

Finishing and Print Check

My Maker Mark Session 3

Name:	Class:	Date:

Finish your maker mark to a high quality and get your Junior Engineer model ready to print.

Part 1: My machine safety pledge

- ☐ I will wear goggles before the machine is on.
- ☐ I will tie back hair and roll up sleeves.
- ☐ I will use a machine only with the teacher's permission.
- ☐ I will switch off and wait before touching any part.

Part 2: Maker mark quality check

- ☐ Edges are smooth.
- ☐ Burn marks are removed.
- ☐ The hole is clean and the keyring fits.
- ☐ My maker mark is clear and sharp.

Part 3: Junior Engineer print check

- ☐ Grouped into one object.
- ☐ Sits flat on the workplane.
- ☐ No floating parts or walls under 2 mm.
- ☐ Fits within 80 mm.
- ☐ Exported as STL with the right name.

Part 4: Quality reflection

Compare your maker mark with a product you could buy. What is the same? What is different?
